**SOLUTIONS IN MOTION: ELECTRIC, HYDRAULIC AND PNEUMATIC**

## HYDRAULIC FILTER SELECTION WORKSHEET

System Operating Pressure	
Efficiency / beta Rating	
Housing Style	Spin-On      In-Tank      In-Line
Port Size	
Type of Port	NPT Pipe Thread      SAE O-Ring Thread      Flange Style Ports
Hydraulic Flow Required (Rated in Gallons per Minute)	
System Temperature	
Indicators Required?	Visual dial/Gauge      Pop-up Electric / AC or DC output
